

## Quality Construction Since 1986

As a locally owned company, Mike Scholl Builders, Inc. has been providing quality construction since 1986. This year the company is celebrating their 21st year anniversary! Mike Scholl, Owner and President of Mike Scholl Builders, Inc., gained his personal 26 years of experience under his now retired father's family business. Mike's son's, Eric and Ryan, are carrying on the family legacy and becoming 3rd generation Scholl builders! Like their predecessor, they, have mastered the art of construction and carries on the family legacy of building great homes in Michigan.

Mike Scholl stands behind the company's slogan "Quality Construction Since 1986" by being on the company's job sites working hand in hand with his employees. "I like creating with my hands. When I am done with a project, I like the feeling of stepping back and looking at the finished product. I have to know that I have done the best job possible or I am not happy". The company's track record speaks for itself with many referrals coming from satisfied customers.

Our company does a wide range of work from building custom homes, offices, barns, apartment buildings, additions and remodeling.

Our company also does custom wood work. We custom make fireplace mantels out of wood, ceramic, brick and stone. We do all of our own custom trim work including staircases.

Do you have a big screen TV that needs a custom made entertainment center? We can build it! Do you want to bring back your grandmother's antique table back to life? We can refurbish your wood furniture. Give us a call!

We are a licensed and an insured incorporation. We are actively involved with the Habitat for Humanity and the Parade of Homes through the Home Builders Association of Jackson. Our company will build your dream home no matter how large or small you would like it to be. Contact us so we can make your dream come true with a touch of quality. Inside this brochure is just a small sample of past and current projects. For more photos and information, visit our website at [www.mikeschollbuilders.com](http://www.mikeschollbuilders.com).
